

# Neogen® Viroxide Super™

Product Number: 433608/11

## Presentation

Neogen Viroxide Super	Product Number
11 lb Pail	433608/11

## Key Features

- Powdered, peroxygen based disinfectant
- Powder formulation is easy to transport
- Extended shelf life when compared to liquid concentrates
- Biodegradable ingredients
- Green color indicates ready for use
- Efficacious in hard water

## Product Description

Neogen® Viroxide Super™, a powdered, peroxygen-based disinfectant, offers rapid broad-spectrum disinfection as part of a comprehensive biosecurity program. Neogen Viroxide Super can be used for disinfection of production animal housing and equipment, boot baths, vehicles, and other hard, non-porous surfaces.

Neogen Viroxide Super has demonstrated effectiveness against viruses similar to SARS-CoV-2 on hard, non-porous surfaces. **Therefore, Neogen Viroxide Super can be used against SARS-CoV-2 when used in accordance with the directions for use against Feline Calicivirus on hard, non-porous surfaces.** Refer to the CDC website at <http://www.cdc.gov/outbreaks> for additional information.

<b>Actives:</b>	Potassium peroxymonosulfate & Sodium chloride
<b>Use:</b>	Companion animal facilities, poultry, swine, farm premise, horticulture, aquaculture
<b>Activity:</b>	Proven effectiveness against bacteria and viruses
<b>Application:</b>	Manual cleaning, mopping, high and low pressure spraying

## General Instructions

To disinfect, saturate visibly clean hard non-porous surfaces with a 1% use-dilution of Neogen Viroxide Super (see dilution chart) for a period of 10 minutes.

## Active Ingredients

Potassium peroxymonosulfate .....	22.41%
Sodium chloride.....	1.50%
Other Ingredients .....	76.09%
<b>Total .....</b>	<b>100.00%</b>
