

COMPANION™ Disinfectant Wipes

Product Number: 490908

Key Features

- Effectively kills Parvovirus and Feline Calicivirus
- Provides effective cleaning, disinfection and odor control in a single step
- Kills 99% of germs
- Non-corrosive even after repetitive uses
- No rinsing required
- Helps improve patient turnover efficiency in clinic environment

Product Description

COMPANION™ Disinfectant Wipes are ready-to-use wipes that effectively clean, disinfect and control odor in one step. COMPANION Disinfectant Wipes clean by removing tough soils such as dirt, fecal material, blood, urine, and mildew — leaving behind a fresh citrus scent. COMPANION Disinfectant Wipes are formulated to be non-abrasive and non-corrosive with repetitive use. Help improve your clinic's patient turnover efficiency by using the convenient and effective COMPANION Disinfectant Wipes.

COVID-19 is caused by SARS-CoV-2. COMPANION Disinfectant Wipes kill similar viruses and therefore can be used against SARS-CoV-2 when used in accordance with the directions for use against Rhinovirus on hard, non-porous surfaces. Refer to the CDC website at <http://www.cdc.gov/outbreaks> for additional information.
